

1. Dear Sco Mo, Dear Sco Mo, Look at what's lost, The coal that you're burn - ing, has a big cost, The oc - eans are ris - ing, we're get - ting too hot, Get rid of A - dan - i, and all that sick lot.

2. Oh Am-a-zon, oh Am-a-zon, What is the cost? Of the trees that are burn - ing, what will be lost, The world will all suff - er, its lungs will be gone, There'll be no op - por - tun - i - ty, For life to go on.

3. Oh Tu-va-lu, Oh Tu-val-u, Can you tell us the cost? For the coal we've been burn - ing, What will be lost? We'll
